

Bibliography of African Explorer's Books

This document lists publications by African explorers from the period relevant to the Dark Continents RPG. Many can be found as text files on the internet, some are still in publication and can be purchased through a reputable bookstore or online via Amazon.

For anyone trying to get a feel for the period I would particularly recommend Stanley's account of his journey through the Dark Continent, available in two volumes as modern reprints from Dover Books.

- Alvarez, Father Francisco. Narrative of the Portuguese Embassy to Abyssinia During the Years 1520-1527. London, 1881.
- Azurara, Gomes Eannes de. The Chronicle of the Discovery and Conquest of Guinea. London, 1896.
